## DANCE AUDITION INSTRUCTIONS

### How must I prepare for the Dance audition?

Applicants must prepare and rehearse a solo dance (a dance for one) in any style, between 1-1/2 and 2 minutes. The importance of rehearsing your solo cannot be overstated. A CD or music file downloaded on an MP3, IPOD or phone must be used. There is no internet access in the studios so music on the internet can't be accessed. Music on a DVD is not accepted. If a CD is used have only the music for the audition on the CD or use a commercial CD that we can stop at the appropriate time. You should have a backup for your music. If using a CD be sure it will play on all CD players.

### What will I do during the Dance audition?

1. **Dance Audition Registration:** When called, applicants will register and each student will change into his or her audition class attire and be given an identifying audition number.
2. **A Brief Dance Movement Class:** Applicants will be directed by a School for the Arts' instructor in a brief dance movement class. Previous dance training is not necessary to follow the instructor's directions.
3. **Student Solo:** After the class each student will perform a solo dance between 1-1/2 and 2 minutes long in any style they feel will present them at their best. The music for the solo dance must be instrumental music only, no vocals or lyrics. The music is provided by the applicant. Movie themes provide a good source of instrumental music.
4. **The whole audition process may take up to three hours.**

### What must I wear for the Dance audition?

**For Girls:** leotard and **light-colored** dance tights

**For Boys:** leotard or tight fitting tee shirt and **dark dance tights**

**Tight fitting mid-thigh shorts** (spandex or lycra) and a **close fitting tee shirt** are accepted for both boys and girls.

Ballet slippers or socks should be worn. **No pointe shoes are needed for class. Loose fitting clothing such as sweatpants should not be worn. Legs must be clearly visible. Girls' hair should be securely pinned back off the face and neck. No jewelry is to be worn.**

### What factors are considered by the Dance judges?

Flexibility, coordination, presentation, musicality and the ability to follow the directions and demonstrations during the class along with the solo presentation will be the factors used to consider the applicant for acceptance. **Should the judges decide that it is not necessary to see the entire solo, they will stop the applicant.** This means they have observed enough to make a judgment and is not an indication of acceptance or non-acceptance. If the judges feel they need to see the applicant in a different context they may be asked to return for further evaluation.

### Is previous dance training necessary to be accepted?

The dance jury considers the **dance potential** of each applicant. Previous training or the lack of training is **not** a determining factor in acceptance to the program.

### What happens if you are late for the audition?

Latecomers will not be admitted for the dance audition.
