MUSIC

Vocal

GRADES 6-8

Learn to sing and care for your voice. You will participate in a choral music program to work on components of singing including breath support, posture, note reading, and sound production.

Vocal Music Auditions

MAY 31-JUNE 6, 2022

Students entering grades 6–8 in September 2022 are eligible to audition.

Applicants may sing a song of their choice that demonstrates the quality of the voice and the clear articulation of the song's words. Examples are patriotic songs, church hymns, or folk songs.

Popular music that imitates the style of that particular singer is not helpful in determining the quality of a young voice and should be avoided. Applicants may choose to sing "The Water is Wide." This song is recommended for students who cannot decide what to sing for the voice audition. Students can search "The Water is Wide" on Youtube to hear the melody.

All applicants must be registered by Sunday, May 15th in order to receive an appointment. Appointment times will be sent out via email no later than one week prior to Audition Week.

MUSIC

Instrumental
