

A quick overview of BSA's technology platforms

Infinite Campus	
	<p>This is Baltimore City Schools learning management platform. Students and parents can look at grades and attendance through different views.</p> <p>Parents-If you need Campus Portal Activation Letters, please see Mr. Askey. You can also go here on City Schools' website to create an account.</p> <p>Students-You will use your @bcps.org email and district generated password to view grades and attendance in real time.</p> <p>https://baltimore.infinitecampus.org</p>
BSA Google	
	<p>This is BSA's G-Suite faculty/student/staff learning management platform that includes internal email communication and usage of all G Suite applications from Google: Docs, Classroom, Sheets, Slides, etc.</p> <p>Students-You will use your @bsfa.org email and password to log in here. If you have not logged in yet, go to www.gmail.com, and use welcome2023 as your default password.</p> <p>Parents-Join codes will come from teachers so you can monitor progress in Google Classroom and get a weekly digest.</p> <p>Any potential grades posted here are transferred into Infinite Campus.</p> <p>www.google.com</p>

<p>Clever</p>	<p>There will be occasions where students will be asked to complete work on the Clever platform. When that is the case, students...</p> <p>Click “Log in with Google”</p> <p>Enter your _____@bcps.org and your district generated password.</p> <p>Parents will generally not need to interface with this application.</p> <p>Baltimore City Schools Clever Link</p>
<p>Schoology</p>	<p>Many of our arts teachers are part-time Foundation employees and therefore do not have access to Infinite Campus. We use Schoology in a limited way to allow arts teachers to enter grades. At 8 intervals over the year (4 progress reports and 4 report cards), grades will export from Schoology to Infinite Campus.</p> <p>Once codes are released, here are student and parent instructions for log-in.</p> <p>app.schoology.com</p>

Classroom Parent

Parents and guardians have already provided us with contact information. We use Classroom Parent to communicate with you as a larger parent community. All school messages with large announcements will come through this platform. Additionally, it is separated by grade bands and art areas so more specific communications will come that way as well.
